Subject: Penn Athletics and Recreation Staffing Update

Penn Recreation Advisory Committee,

I am writing to inform you that David Leach has stepped down from his position as the Senior Associate Athletic Director for Recreation and Wellness. I want to thank Dave for his service to the Division and his efforts to advance Penn Campus Recreation during his two years at the University.

Scott Ward, Senior Associate Athletic Director/Chief Operations Officer, will oversee Recreation on an interim basis. He will be assisted by a Recreation Transition Team, which will be comprised of leaders from Recreation, Intercollegiate Athletics, and the campus community.

In the near future, we will be convening this advisory committee to aid in the transition and prepare a search for the next leader.

If you have any questions or concerns, please reach out to Scott Ward at [REDACTED]

Thank you.

Grace
